Exam Details

RIYAN ANOSH

Commercial Photography 1

Certificate date: 05/09/2025

This document certifies that the student listed has acquired the following skills and knowledge.

- Students will employ proper equipment, exposure, lighting modification, and optional accessories to capture photographic images utilizing compositional concepts and narratives.
- Students will be able to use photo editing software to enhance images.
- Students will be able to save/export their photographic work in the appropriate size, resolution, format and mode for a variety of platforms. (Primary focus will be on DIGITAL output during Photo I. Print will be covered in depth in Photo II & III) Students will store their images in the appropriate location for future access.
- Students will explore an introduction to a variety of career paths in the photography industry. Students will develop fundamental work skills through their own photographic process.
- Students will construct a digital portfolio to demonstrate their development in aesthetic literacy and curate their own work using compositional elements. The portfolio will serve as an assessment of student understanding through hands-on, process-based learning of each concept listed.
