To whom it may concern,

I am writing the letter of recommendation for Riyan Anosh. I have known Mr. Anosh for the past year. Riyan is currently a student in my AP Government class.

Riyan is a diligent and dedicated student who is always willing to go the extra mile to make sure that he succeeds in his academic endeavors. Riyan is a very dedicated and responsible student. He makes sure that all of his assignments are completed to the best of his ability. He does not shy away from hard work and is always up for new challenges. Riyan is exceptionally skilled with computers.

If I can be of any further assistance please do not hesitate to contact me and I would be happy to expand on his accomplishments.

Sincerely,

Kenneth Peffer
